

We now offer full
HOLISTIC CARE

DR. JANIS FISHER
is a certified veterinary
acupuncturist, Chinese
herbalist, and is trained in
homotoxicology.

Alternative medicine is
very beneficial for many
chronic illnesses such as
arthritis, kidney & liver
disease, and GI issues.
Alternative medicine can
also be an adjunct
treatment for many types
of cancer.

**Ask us if alternative
therapies may benefit
your pet**
